Super Bloom ...

"Walk into the fields and look at the wildflowers. They don't fuss with their appearance—but have you ever seen color and design quite like it? The ten best-dressed people in the country look shabby alongside them. If God gives such attention to the wildflowers, most of them never even seen, don't you think God will attend to you, take pride in you, do God's best for you?" Luke 12:26-28, The Message

Where The Table's News Rests

The wildflowers have something to teach us.

If God gives such attention to the wildflowers, most of them never even seen, don't you think God will attend to you, take pride in you, do God's best for you? ~ Luke 12:28

Dearly Beloved -

The winter from which we are emerging has been called a "drought buster" because of the constant source of precipitation we received from grandmother winter's record breaking snowfalls. And because of all that wet, we are being blessed with a superbloom of wildflowers this spring and into the summer.

The vivid overflow of the senses of this wildflower superbloom calls for our attention to detail - in the same way that God pays excruciatingly close attention to the details of our very lives. There are millions of wildflowers literally never seen by human eyes - and God knows every single one of them, intimately.

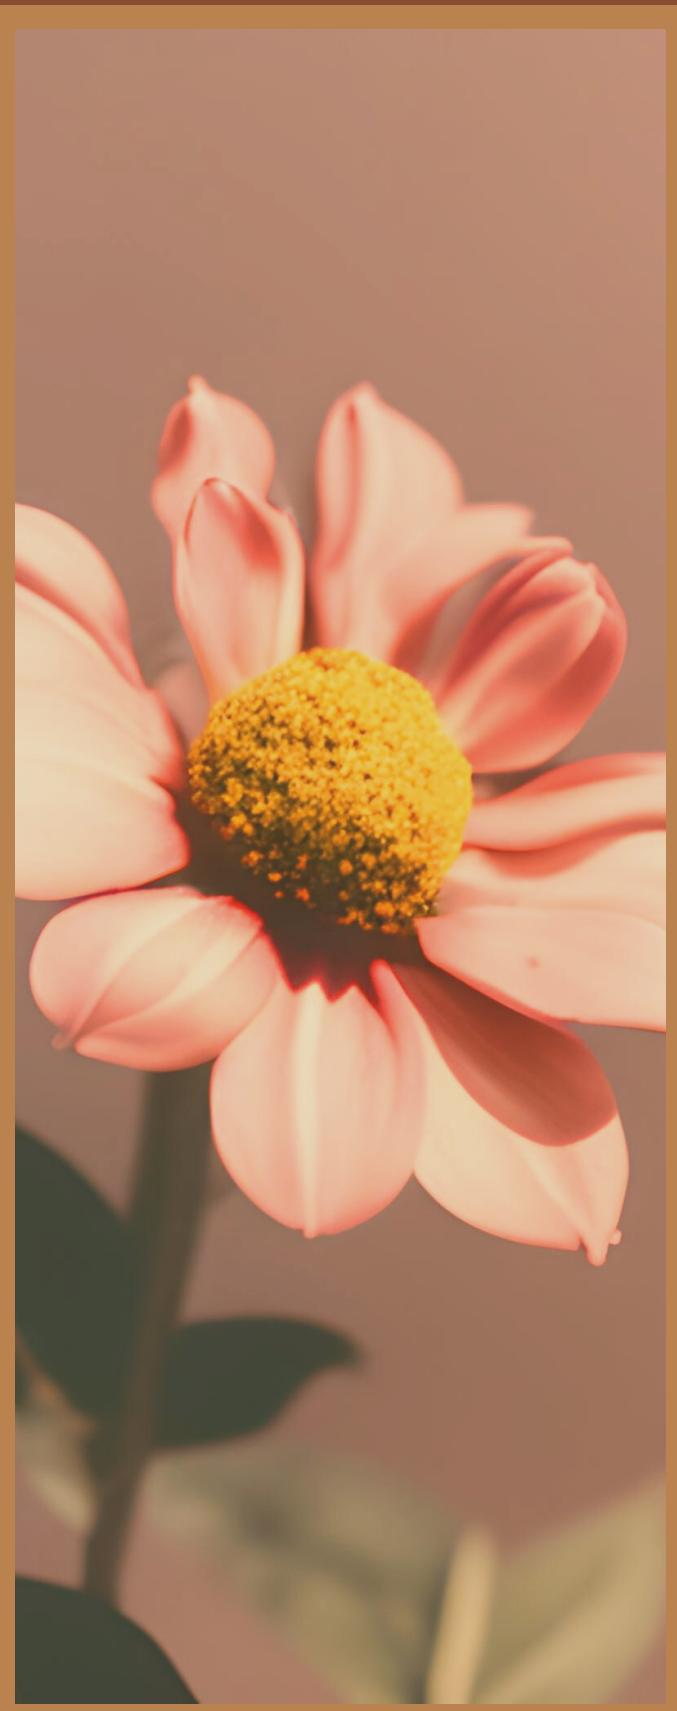

No flower says to itself, I will not bloom for I am not as beautiful or perfect as the one growing next to me: it simply unfurls in all its glory for the sake of its individual pleasure and for it's power to add to stunning beauty of the whole field, the whole creation.

Join us this month as we allow God to speak and pour love over us through our spiritual teachers: wildflowers. We will engage embodied prayer practices and take spiritual lessons from these gorgeous siblings who have much to show us about growth, life, beauty and acceptance.

God takes pride in YOU, and so do I.
With love,
Pastor Libby

Psalm 125

PSALMS FOR PRAYING, NAN C. MERRILL

Those who put their trust in You
are like giant trees
standing firm and rooted deep.
As the trees grow strong in fertile
soil,
so we mature in the garden of Love,
nourished by the Word of Life.
For the weeds of fear, the tares of
ignorance,
find no home here; they are
soon cast out.
As each flower in its uniqueness
blesses the garden,
the interconnectedness of all
brings it to fulfillment.
Those whose lives reflect goodness
and integrity,
become mirrors to Love's way.
They are like fragrant blossoms that
bring joy to all around them,
like open invitations for others to
come.
Come! Enter the Garden of Love!
